

Giving Philosophy

The fundraising efforts at the Montessori Children's House of Valley Forge enhance our school philosophy that each family's active participation in the life and health of the school creates a vital community. The donation of time, talent and resources demonstrates to the children how much their families support their school. This creates meaningful, enduring relationships between those families and the school.

Every gift, regardless of size, is important in helping to make that difference.

Your gift to the annual fund immediately benefits each student

- by supporting school programs and providing classroom equipment and materials.
- by expanding and enhancing the school's curriculum.
- by helping to maintain competitive tuition levels.
- by assisting with the ongoing maintenance and upkeep of our beautiful campus and facilities.
- by ensuring the 48 year legacy of MCHVF continues.

Parent Involvement

As a parent-owned school, we recognize and highly value collaborative work between parents and staff. As we work together to build a community that is strong financially, academically and philosophically, we rely on the many and varied contributions of our Montessori parents, alumni and friends.

By supporting the Annual Fund each year, you are helping to maintain MCHVF's tradition of providing the highest quality Montessori education for our young students.

On behalf of our children, thank you for your contribution.
